AMENDMENT

Sir:

In response to the Office Action dated July 9, 2001, the Examiner is respectfully requested to amend the above-identified application as follows:

IN THE SPECIFICATION:

Please substitute the following paragraph for the paragraph starting at page 1, line 5 and ending at line 13. A marked-up copy of this paragraph, showing the changes made thereto is attached.

--This invention relates to an apparatus having an air-conditioning chamber

4. wherein high temperature stability is required and, more particularly, to an apparatus having an
